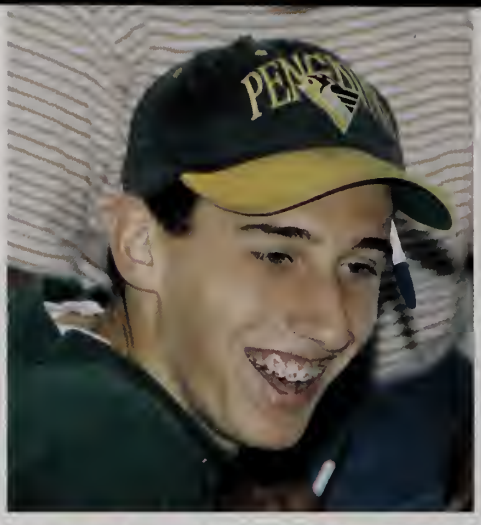
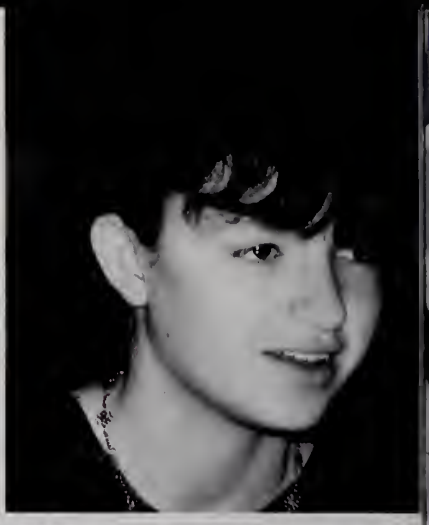
Congratulations!
Today is your day
You're off to great places!
You're off and away!
You have brains in your head.
You have feet in your shoes
You can steer yourself
any direction you choose

You'll be on your way up!
You'll be seeing great sights!
You'll join the high fliers
who soar to great heights.

seniors





Oh, the places you'll go! There is fun to be done.
There are points to be scored. There are games to be won.
And the magical things you can do with the ball will make
you the winningest of all.
Fame! You'll be famous as famous can be
With the whole wide world watching you on T.V.

On and on you will hike
And I know you'll hike far
and face up to your problems
whatever they are.

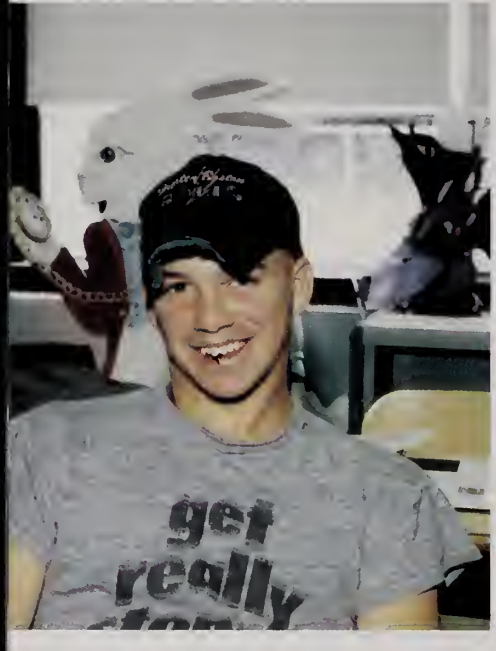
Just never forget to be dexterous and deft.
And never mix up your right foot with your left.

And will you succeed?
Yes! You will indeed!
(98 and 3/4 percent guaranteed.)

You'll get mixed up, of course
as you already know
You'll get mixed up
with many strange birds as you go.
So be sure when you step
Step with care and great tact
and remember that Life's
a Great Balancing Act.

seniors

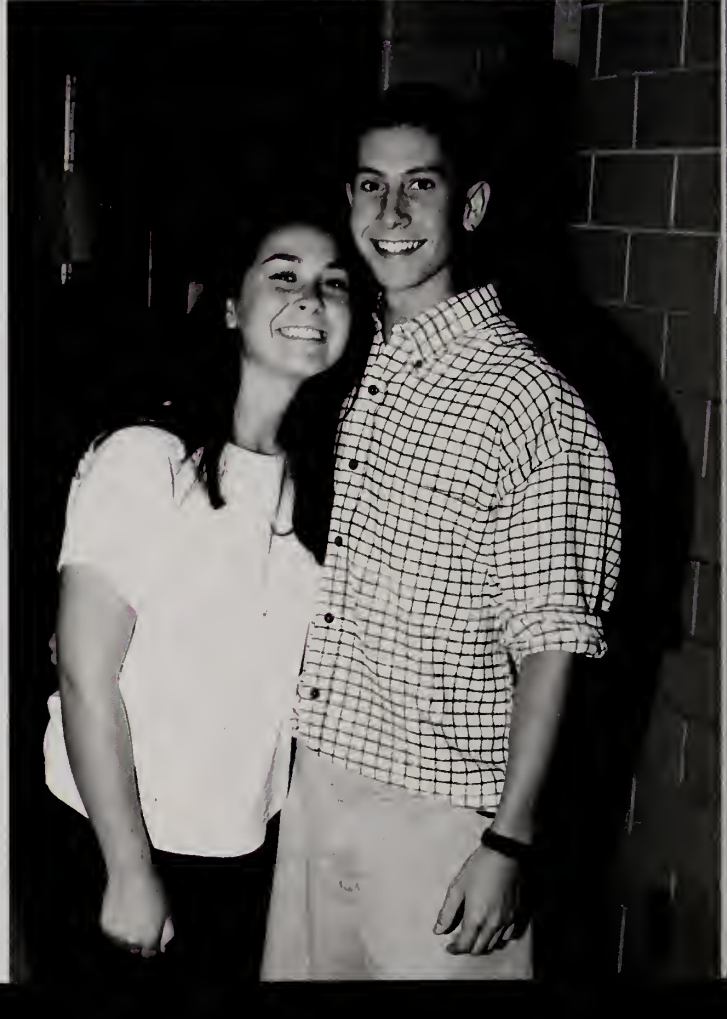
seniors



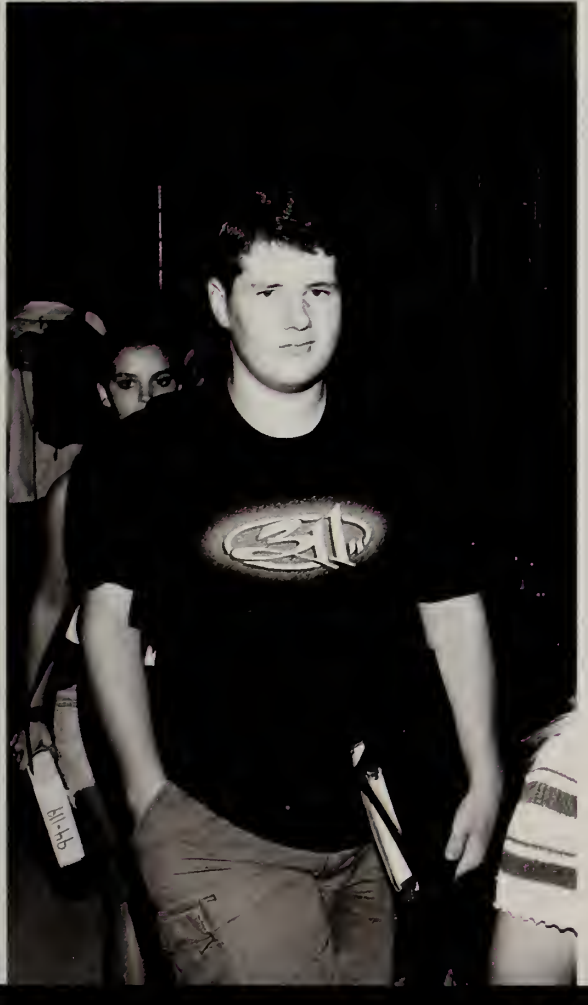
Kid, you'll move mountains!
Today is your day!
Your mountain is waiting
So . . . get on your way!
Oh, the places you'll go!
— ''Oh, The Places You'll Go'' Dr. Seuss

Don't write it down,
remember this in your head.
Don't take a picture,
remember this in your heart
Don't take a message,
talk to me face to face.

Life's a journey, not a destination, and we all know it's true. And now, in 1997, a large part of our journey is over. Our journey consisted of hills, valleys, and obstacles, but we would never give it up, and we never took a short cut. Our Journey was littered with friends, parties, proms, dances, homecomings, grades, teachers, and tons of other things, some important, some trivial.



Along the way we laughed, cried, and smiled, and now that it's over we sigh. As happy as we are to reach our destination, the journey is over, and we will miss it. Still, we will all try to remember not to cry because it's over, but to smile because it happened.



seniors

We laughed until we had to cry
We loved right down to our last goodbye
We were the best I think we'll ever be
Just you and me, for just a moment.

Someday when we all reminisce
We'll say there wasn't too much we missed
And through the tears
We'll smile when we recall
We had it all for just a moment
— St. Elmo's Fire

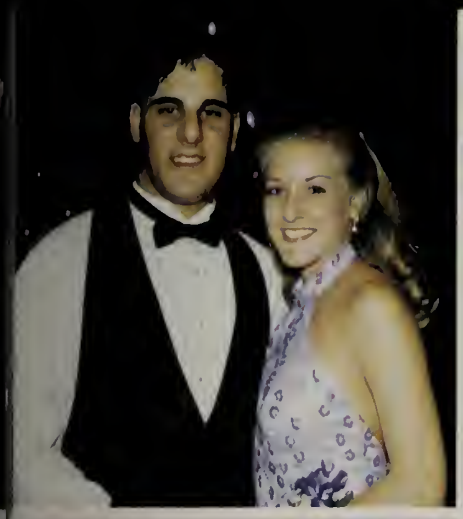
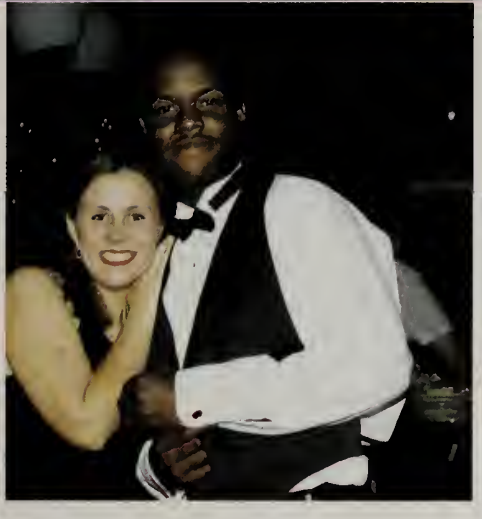
the prom 96

The Prom Queen and her Court: (left to right): Elizabeth Schoenfeld, Nicole Pfannensteil, Tara Selenow, Prom Queen Natalie Rosenthal, Prom King Brian Potter, Christopher McDonald, Alex Schindelar, and Craig Lampert.





The night was ours as we passed through the tall gates that led into the Enchanted Forest. No one recognized the gymnasium which was filled with tall green trees, elegant gateways, and an imposing castle. The senior class volunteer's decorating effort had paid off handsomely. The sound of the music got everyone to their feet, dancing the night away under a star-kissed sky, the time slipping away all too quickly. As we danced to the beat of the night's final song "In My Life" by the Beatles, we all savored the fleeting moments that would forever be held dear in our hearts and memories.

The future is filled with uncertainty
The present is not here to stay
It's so hard to say goodbye
and turn tomorrow into yesterday

We always knew we'd look back on our
tears and laugh, but we never thought
we'd look back on our laughter and cry.

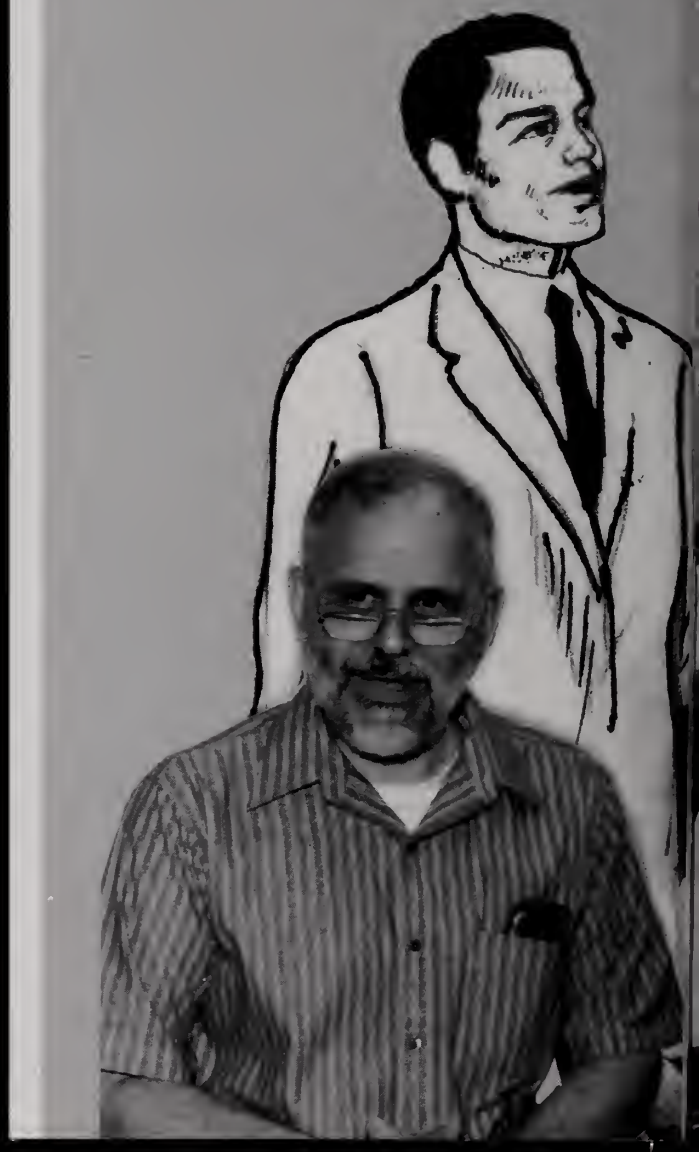
Mr. Elefterakis, known affectionately as ''Lefty'', or simply Mr. E., has been teaching history in Sharon High School longer than many of our younger teachers have been alive. He is an outstanding teacher and has given his students an excellent education in the field of history. He has faced the unenviable task of teaching seniors A.P. European History, a course some would say is not always terribly interesting, but with the help of his friends Bailey, Kennedy, Palmer, and Mckay, Mr. E. makes all of his classes both interesting and rewarding. His wealth of knowledge, his character and sense of humor fill his classroom, and the Amnesty International meetings, which he advises. It is for these reasons that we show our appreciation to Mr. Elefterakis. Thanks for an outstanding history of superior teaching.

Hidden away in the ''400's'', a hallway that half of the school probably doesn't even know exists, is one of Sharon High's most dedicated teachers. Mr. Bryant, the senior member of the Sharon High art department, is of that rare breed in that he lives up to the lofty title ''teacher,'' in every sense of the word. If you are one of his art students, or you are involved with the Marsengold or SADD, you have had the opportunity to see this ''hidden gem'' in action. Over the years his students have gone on to study art at many of New Englands art schools and liberal art colleges and universities. Mr. Bryant serves as the Advisor to the yearbook and its production. Even when the deadlines are nearing and the pressure heightens, Mr. Bryant's sense of humor shines through. His insouciant attitude is contagious and always helps to ease the tension. During a year when the under-age drinking problem became a public issue, Mr. Bryant, as a co-adviser for SADD, showed great leadership as he helped bring related assemblies to the school, and increase alcohol awareness within the school system. It is for these reasons that we dedicate this yearbook to Mr. Bryant. Thanks, Mr. Bryant, for all of your dedication and support in everything that you do for the school.



Dedication and Appreciation

In the fall of 1965, two young teachers began their freshman year at Sharon High School. You can put away your calculators, that's 31 years of teaching. And over these years they have both made lasting and important contributions to our school and its students. It is for this reason that we show our dedication and appreciation to these two men.

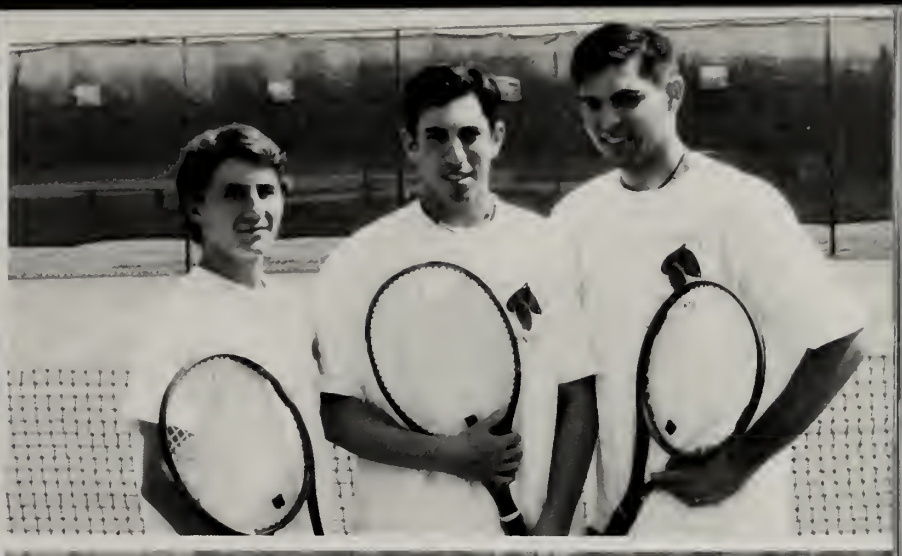
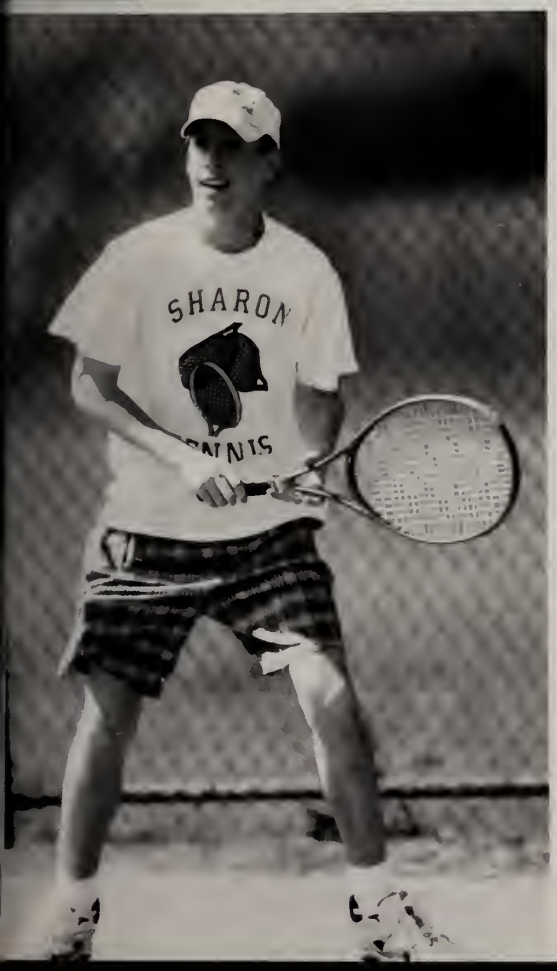
boys tennis team

The Sharon High Boys' Tennis Team had another great season in the spring of 1996. They went 16-0 in the Hockomock League and 22-0 overall, culminating in their second straight state championship. The team has now won 44 straight matches, and 192 straight league matches. Adam Harris, Steve Davis, and Eric Yecies combined for only one loss in singles competition. The doubles teams of Joe Sigal/Danny Levine, Josh Arkin/Ken Chavez, and Andy Silver/Mike Schneider were all undefeated, with Arkin/Chavez winning the state individual doubles championship. The team is hoping for another great year in '97, under the guidance of coach Ron "Bulldog" Holt.





Captains: Adam Harris, Danny Levine, and Joe Sigal

Coming into the 1996 season the Girls' Tennis Team was unsure how the season would play out. Graduating three key players, the team was helped by a strong freshman class. The team finished the season 11-5, losing to a tough Cohasset team in the State Tournament. This season, look for the team to be back on top, led by Captain Colleen Boyle, and underclassmen Lauren Bork, Lindsey Schantz, Debbie Silver, Marissa Picheny, and Leah Schneiderman.

Despite a disappointing record, the girl's softball team worked extremely hard during the season. Jessica Shelton was in charge of the infield, playing at the shortstop position, and Jennifer Noble led the outfield in catches from left field. Andrea Magby and Rebecca Zophin were also key players in the field, The Eagles may well pose a serious threat to the rest of the league next year, with the two Jessica's, Shelton and Bender returning to the lineup. Next spring the team and Coach Regan hope to more than just contend with Hockomock powers Mansfield and North Attleborough.

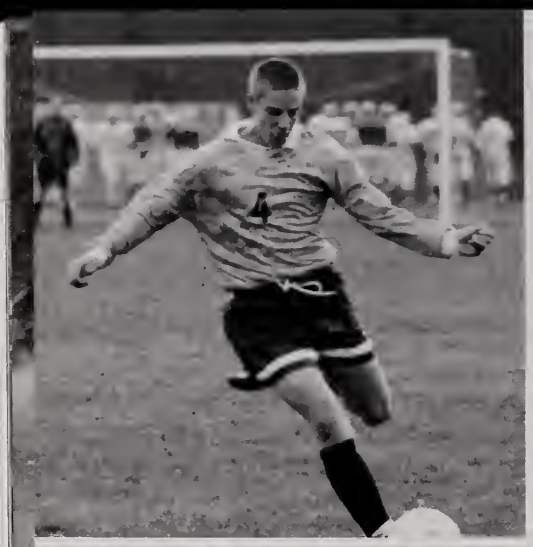
The 1996 Boys Baseball team had a surprisingly successful season and surpassed many fans' expectations. Led by Co-Captains Phil Jordan, Jon Steinberg, Matt Wall, and Roee Rubenstein the Eagle squad turned many heads with a season record of 8-12. Despite their positive attitude and dynamic team chemistry the team did not qualify for the state tournament. With next years leadership already in place, the 1997 captains, Mike Plotnick, Josh Keimach, and Jon Goldman hope to lead the squad on to another successful season. With the support of team members Josh O'Dette, Phil Rozinsky, and Danny Kaye, expectations are once again running high.

golf

The golf had an incredible year!! Several wins gave them their best winning record in a number of seasons. A host of impressive wins on the course were made by the seniors on the team, Steve Nicholas, Captain Jeff Cohen, Evan Weisman, Robert Lariviere, Mike Bloom, and Jason Abrams. These victories infused the team with a strong winning spirit and spurred the underclassman on to perform at exceptional levels. The golf team would like to extend their gratitude to their new coach, Mr. Cook, and to offer a very special thanks to his predecessor, Mr. Pane, for his many years of service.

Golf Team: bottom row: left to right: Robert Lariviere, Michael Bloom, Steve Nicholas, Jeffrey Cohen, and Evan Weisman. **top row:** Eric Belsky, Joe Milbury, Jonathan Drobnis, J.B. Morris, David Selenow, and Joe Cook, Coach.



soccer

The Boy's Soccer team got off to a strong start and are expected to finish in the top of the league. Senior leadership is a key factor in the team's success. Led by Co-Captains Stuart Mac Donald and Brian Doherty, the Eagles squad have engaged in fast and dynamic team play. Contributing to this were vital players who included seniors Brian Potter, Alex Schindelar, Josh Keimach, Josh Siegel, Josh Lechter, Steve Urban, and Mike Goldstein.

girls soccer

The Girls' Soccer Team had a rocky start to the 1996 season, however, under the guidance of our new coach Cindy Carroll the team turned the season around. The team was led by a strong senior class, including captains Anna Minihan, Jenn Noble, Jessica Shelton, Catherine Sullivan, and Nicole Sullivan; as well as seniors Colleen Boyle, Lindsey Forman, and Elizabeth Schoenfeld. Once again the team found themselves right in the middle of a highly competitive and closely contested Hockomock league. Best of luck to Coach Carroll and the team in the future.

cross country

Cross country coach Ed Norris continues to instill his runners with a strong work ethic and hopes to enhance the cross country team's legendary accomplishments. The team led by co-captains Ben Levitt and Eric Fireman, look forward to leading the team to the state title. With strong contributions from senior Ross Krachey and an impressive cadre of underclassman, the odds on this happening are very high. After a slow start in tri-meet competition, the girls' team, captained by senior Jess Zelfand, hope to duplicate last year's triumph by winning the Hockomock League championships.

It isn't a surprise that the Sharon High field hockey team had another amazing season. The players worked very hard through the good times and the bad. Always keeping their heads up, the team was filled with spirit. The field hockey team was well aware that effort and team spirit is what counts, not just winning. Led by ten talented seniors, the team really came together. From practice and games to dinners and sleepovers, the players weren't just athletes, they became close and very special friends. Congratulations to Jenny Chiller, Rafaella Murano and Pam Slavsky for a wonderful season. And and many thanks to Coach Decas for her exceellent coaching contribution.

football

This season the Sharon High Football program took another important step in their quest for success. Led by head coach Roland James, the coaching staff of Rick Malcomson, Dan Cox, Jim Cummings, Brad Fitzhenry, and Dave MacNeil, the team worked tirelessly in preparing the team week-in and week-out. When faced with seemingly insurmountable obstacles, the team was able to persevere guided by quad-captains Mike Pailler, Rob McCormick, Greg Goober, and Kyle McNeill; along with a strong senior nucleus of Jon Goldman, Chris Curtis, Matt Dlott, Topher Hawkins, Peter Canuto, and Jabez Miller. A new day is dawning on Sharon High Football as the future looks bright with a dedicated class of juniors consisting of Jim MacDougal, Doug Strasnick, Sam Chates, Brett Tillman, Seth Berger, Dave Guy, Shaun Hershman, Greg Curtis, Dan Bluestein, Chris Casey, and L'mar Lay.

girls basketball

The Girls Basketball team started off the 1996-1997 season with a 6-1 start. The highlight of that run came with beating King Philip to win the Norton Holiday Tournament during Christmas vacation. The team will look to its seniors, Jessica Shelton, Nicole Sullivan, Jenn Noble, and Rebecca Zophin to continue their strong play and help lead the team into the State Tournament. The team's tournament success looks inevitable after capping off an incredible upset over league rival Foxboro. The Eagles have also been getting valuable contributions from juniors Renee Hamer and Kellie Battle, as well as sophomore Lindsey Schantz. The team will look to these players for their continued success in the future.

The 1996-1997 boys basketball team, led by co-captains Brian Doherty and Jabez Miller and seniors Josh Keimach and Jafar Silva-Leonard are off to another successful season in the Hockomock League. The future looks bright for the Eagles, as the core of the team consists primarily of underclassmen. Hopefully the Eagles will be in post-season competition as the senior leadership and enthusiasm carries the team through another successful year.

Sharon High's winter track teams are off to another fast start, as the boys' team has compiled a 5-0 record and the girls' a 3-2 mark just past the midway point of the season. The boys' team, led by captains Bryan Stanislaus, Alex Schindelar, Ben Levitt, Topher Hawkins, and Eric Fireman are aiming towards a second consecutive league title. With senior leadership being provided by Lee Howard, Stuart Karp, Josh Siegel, Stuart MacDonald and Chris McDonald, the team looks to be on its way to repeating last years triumph. The girls' team has rebounded from a mediocre campaign last winter to move towards a top standing in the league this season. Led by captains Pam Slavsky, Liz Schoenfeld, Sarah Hardy, and Jessica Zelfand, the team will surely improve upon last year's mark. Both the boys and the girls have made Coach Norris and Coach Sullivan very proud.

Wrestling coaches Rob O'Donnell, Joe Spruce and Brian Frasier called on their captains Jim McDougal and Andy Chused to drive the team on to victory. With strong contributions from four talented seniors: Mike Pailler and Matt Dlott, second year members, and Bernie Williams and Jeff Rubenstein. The wrestling team is an experienced, well led, aggressive team that has a very bright future and is willing to go to the mat for victory.

The fact that the gymnastics team this year is small in size, has not stopped them from defeating their Hockomock League foes King Philip, Stoughton and Franklin. The senior gymnasts are (capt.) Becca Rudnick and Nikki Hampton. The team would like to thank Coach Horan and Assistant Coach Jodi Kraus for another great season. The team would also like to wish good luck to next year's team.

This year's swim team had a hard-driving season under the leadership of captains Tim Day, Jen True, and Craig Lampert. Although the swim team is in a league that includes many other exceptional schools, the team gave each school a strong run for the money in each of their competitions. Individual members of the team made strong contributions to the meets with Nauset, Barnstable, Oliver Ames, and Thayer Academy. These contributors included seniors Andrea Okerholm, Sara Stone, and Manali Rabari, and, in fact, the entire team made important contributions to the team's overall success. Many thanks to Coach Lampert and good luck to next year's team.

Co-captains Stepanie Penn, with incredible sets, and Rebecca Zophin, with her powerful spikes, guided their crew of players with both spirit and determination. Gayle Skolnick and Natalie Rosenthal helped the Eagles rack up the points with their great serves, while Rachel Lieberman and Danielle Nasuti made some great passes and saves. Overall, the team played with enthusiasm and lots of pride.

This season the cheerleading squad worked hard to support the football and basketball teams. With contributions from seniors, Alyssa Bechtel, Shelly Burman, Lisa Desberg, Shira Gelerman, Julie Jacobs, Dawn McGrath, Nichole Pfannensteil and Alison Sonfist, the crowds really got involved. The cheerleaders were successful in earning the chance to compete in the CAN-AM International Cheerleading Competition, held in Myrtle Beach. In their third year in competition, the Eagle cheerleaders are prepared to go for the gold.

halloween

Halloween '96 at Sharon High was another holiday success. The festivities began the afternoon before the actual holiday, as members of all four classes stayed after school to decorate their designated hallways. The costume competition, which started at the beginning of school on October 31st, was outstanding, as the majority of students came to school in full costume. These costumes were all wild, crazy and very creative. The multitude of outfits included Hawaiian hula dancers, ladybugs, pigs, survivors of the Titanic and a human wrecking ball. At the schoolwide Halloween assembly, an enthusiastic crowd cheered a number of award recipients including the savages, calendar, playboy bunnies, and a hundred and one dalmations. Overall, it was another terrific Halloween celebration.

homecoming '96

The torrential downpour that postponed the 1996 Sharon High School Homecoming for a day did not dampen the enthusiasm and spirit of our students and fans. You could feel the spirit as they gathered at the Middle School to watch the Eagles take on the highly ranked Mansfield Hornets. This year's festivities marked a first in Sharon High history as the senior class would select a male court to accompany the traditional female court. The six young men in the court were Jabez Miller, Brian Stanilslaus, Michael Pailler, Eric Fireman, Topher Hawkins, and Homecoming King Moshin Mirza. The women's court was composed of the following: Cathrine Sullivan, Lisa Desberg, Shanti Iyer, Sabrina Yohai, and Homecoming Queen Julie Jacobs. The float competition returned this year in time to see the senior class take home the gold with their giant replication of a touchdown - signaling referee. Overall, the day was a huge success!!!

thanksgiving pep rally

This year's Thanksgiving Pep Rally was an especially smooth production thanks to the combined efforts of the senior class executive board and Sharon High's new athletic director, Mr. Corbin. This year's rally was another first in that all of the fall sports teams were recognized. Each team's captains were given a few minutes to share highlights of their season with the audience. But it was primarily the football team's day, and the team's underclassmen were recognized by the student body. But it was the Eagles' seniors that received that most enthusiastic reception as they prepared to face their arch rival Oliver Ames.

Anything Goes

On December 7 and 13, 1996, The Sharon High School Drama Club ''set sail'' with the musical ''Anything Goes.'' Set in the 1930's, this show of ''mistaken identity'' was a true success. With the costumes designed and executed by senior Scott Klein and choreography by senior Tara Selenow and junior Beth Mindes, ''Anything Goes'' involved over 60 students. Including such hits as ''Its' Delovely'', ''I Get a Kick Out of You'', and ''Friendship'', the Cole Porter musical had them dancing and singing in the aisles. Special thanks to directors Mrs. Dennis and Ms. Vasti, and musical director Ms. MacNamara for a show of ''musical heaven.''

No memory is ever lost. A favorite song, a quiet place, or even a special picture. To dream of memories, think of good times with friends, happy moments of triumph, or anything special. People are the best memories. Ones you spent time with, ones you loved, or ones you just talked to. So memories make you laugh, some make you cry, but no memory at all will ever die!

* We want to wish the Class of 1997 the best of luck in the future!!!

Love

Erica, Allison, Pam, Alison, Jen, Lisa, Laura, and Shanti

Andrea,

There may be days when you get up in the morning
and things aren't the way you had hoped they would be.
Tell yourself that things will get better.
When people disappoint you and let you down,
trust your own judgements and opinions
and keep focused on believing in yourself
and all that you are capable of.

Life's a journey through time, filled with many choices:
each of us will experience life in our own special way.
Remember to believe in yourself and all you want your life to be,
because the challenges and changes will only help you to find
the dreams that you know are meant to come true for you.

We love you and are so very proud of you

Doubt yourself and you
doubt everything you see.

Judge yourself and you
see judges everywhere.

But if you listen to the
sound of your own voice
you can rise above
doubt and judgement.

And you can see
Forever!
